NAAMTA Global Announces AeroMD Earning Recertification in Medical Transport Excellence

Salt Lake City, Utah – NAAMTA Global’s Executive Committee is thrilled to announce the successful recertification of AeroMD’s NAAMTA Medical Transport Accreditation. This achievement underscores AeroMD’s unwavering commitment to excellence and adherence to the highest standards in medical transport, highlighted by their exemplary documentation, procedural demonstrations, and clinical competencies throughout the rigorous audit process.

Amy Arndt, a senior NAAMTA auditor, praised AeroMD's methodical approach, stating, "AeroMD's integration of detailed documentation and procedural accuracy during the audit set a high standard within the air medical transport industry, reflecting their dedication to safety and quality care."

Roylen Griffin, Executive Director of NAAMTA Global, added, "Recognizing AeroMD with this recertification aligns with our mission to enhance global medical transport services through rigorous safety and care standards."

During the accreditation process, AeroMD hosted the NAAMTA auditors at the cutting-edge US Virgin Islands Medical Simulation Center, demonstrating their advanced operational capabilities and commitment to excellence. The auditors were particularly impressed with the facility's state-of-the-art equipment and training scenarios, which are crucial in developing and refining AeroMD's medical protocols.

AeroMD President and Chief Medical Officer, Dr. Brendan Anzalone said, "Since the founding of AeroMD, we have held ourselves to the highest standards for patient care. We are honored to have earned NAAMTA re-accreditation, to reiterate for our team and patients, that our procedures meet or exceed the industry’s best practices."

For additional details about NAAMTA's accreditation process and to learn more about how it sets the standard for quality in medical transport, please visit NAAMTA's official website.
