NAAMTA Global Awards Medical Transport and Medical Escort Accreditations Awarded to Medway Air Ambulance

Lawrenceville, GA – [NAAMTA Global](http://naamtaglobal.com) is pleased to announce that [Medway Air Ambulance](http://www.medwayairambulance.com) has been granted accreditation for both Medical Transport and Medical Escort services. This achievement highlights Medway's commitment to excellence and adherence to the highest standards in the air ambulance industry.

Medway Air Ambulance, a leading provider in the sector, has consistently demonstrated its commitment to quality care and operational safety. The dual accreditation by NAAMTA underscores Medway's dedication to providing comprehensive medical transport solutions, including patient transfers and escort services across national and international boundaries.

"Receiving NAAMTA Accreditation for both Medical Transport and Medical Escort services is a testament to Medway Air Ambulance's rigorous commitment to safety and quality in every aspect of their operations," said Roylen Griffin, Executive Director of NAAMTA Global. "Their ongoing dedication to excellence ensures that patients receive the highest level of care during transport."

Medway Air Ambulance has effectively met the stringent standards set by NAAMTA, which involve thorough evaluations of operational protocols, medical procedures, and safety measures. This accreditation process is designed to ensure that all accredited organizations meet or exceed international guidelines and best practices in medical transport.

In addition to their medical and escort services, Medway Air Ambulance maintains a fleet of specially equipped aircraft, ready to respond swiftly to the needs of patients around the world. Their skilled medical teams are trained to handle the most complex of medical conditions, prioritizing patient comfort and care patient comfort and care.

"At the heart of our success is our commitment to putting the safety of our patients and their families first," said Christine Aguilera, CEO of Medway. "Our unwavering commitment to the highest standards of patient care requires significant investment in our quality and safety culture and relentless attention to detail. We appreciate the efforts of NAAMTA to raise the bar on safety and quality across the industry."

About Medway Air Ambulance

Since 2000, Medway Air Ambulance has provided thousands of medical flights for neonatal, pediatric, and adult patients. With 24/7 air medical transport coordination, Medway delivers responsive service in the U.S. and abroad. Medway is one of the largest air ambulance providers in the country, working with international travel assistance programs, workers' compensation plans, and health insurance companies. Medway also partners with world renown children's hospitals to provide neonatal and pediatric flights, using its highly-trained medical team and specialized equipment to ensure safe transfers.

Medway, a Part 135 air carrier, owns and operates its own fleet of medically configured Learjet aircraft. Headquartered in Lawrenceville, Georgia, Medway's aviation operation is one of two fixed wing air ambulances that holds the prestigious ARGUS Platinum rating for excellence. Medway is also certified by the rigorous U.S. Department of Defense's Civilian Air Review Board.

Medway Air Ambulance is proud to be a part of the MedHealth Partners' family of air medical transport providers.
